

# 2022 The 1<sup>st</sup> International KIN-BALL Cup of Shih Chien University

- **Purpose:** The objective of this event is to make connections by sport. By inviting the Taiwanese students and International students, we wish to build up the cultural exchange with the universities and college in Taiwan and provide the opportunity for students to learn from each other. Also, we hope to promote the universities and encourage students to continue their study in Taiwan. Additionally, we wish to achieve the educational goal of the five way of life and promote student's sense of honor and sportsmanship.
- **About KIN-BALL:** Kin-Ball is a team sport created by Prof. Mario Demers in 1986. This sport game is played with a ball of 1.2m in diameter by three opposing teams of four players each on the playing area. This sport shows the team works and cooperation among teammate and also epitomized as a true sportsmanship.
